Happy Thursday CCD Partners -

Thought you might want to read the notes from the June 2nd California Arts Council's visit, as prep for our partners meeting on **Friday, August 4th**.

The partners (and any other interested Board members) will be meeting at **11:00am** in the **Chamber's Boardroom Gallery**.

We will be discussing the agenda, date and venue for the early September Stakeholder Meeting.

Topics under consideration:

- CCD Designation - what does that mean?
- PBID Collaboration - Saturday ArtWalks
- CCD Next Steps

Still amazed we did this!

Subject: California Cultural Districts: Site Visit Notes

Dear Linda,

Congratulations again on being named a California Cultural District!

By end of day this coming Monday, you will receive an important informational update about the program implementation timeline for Fall 2017. Please stay tuned for that update.

In the meantime, I'm writing to distribute notes of the analysis of your site visit. We hope these notes, along with the original panel review notes, will provide feedback and insights that will be beneficial to your district's vision and future planning.

Best regards,

Caitlin
